**POSTAGE STAMPS, &c.**

Prepayment of Inland Letters, &c., must be by Stamps.

**RATES OF POSTAGE.***Inland Letters.\**

1. The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exception afterwards mentioned) is as follows:—

If paid in advance.

Letter weighing not more than  $\frac{1}{2}$  oz., - - - 1d  
 Letter weighing more than  $\frac{1}{2}$  oz., but not exceeding 1 oz., - - - 2d  
 Letter weighing more than 1 oz., but not more than  $1\frac{1}{2}$  oz., - - - 3d  
 Letter weighing more than  $1\frac{1}{2}$  oz., but not 2 oz. 4d  
 and so on; one penny being charged for every additional  $\frac{1}{2}$  oz.

2. As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, is, on delivery, charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

*Colonial and Foreign Letters.*

3. The rates of postage on letters to foreign countries and the colonies are entered in the Table of Colonial and Foreign Postage prefixed.

*Addresses to the Queen and Petitions to Parliament.*

4. Petitions and addresses to Her Majesty forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other inclosure, however, must be inserted, and if one be found, such inclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

*Newspapers and other periodical Publications bearing the Newspaper Stamp.*

5. Although provision is made for forwarding newspapers, books, and money through the post, it is not compulsory on any one to employ this mode of transmission, the exclusive privilege of the Post Office extending only to letters.

6. All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to newspapers), may be sent and resent through the post within the United Kingdom free of postage, under the following regulations, viz.:—

\* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands. If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

§ 1. Such publications are subject to the same restrictions with regard to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shown in the following table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial extent of Letterpress on one side.
One Penny - -	Two - - -	2295 inches.
Three Halfpence - -	Three - - -	3443 "
Twopence - -	Four - - -	4591 "

§ 2. No publication, or portion thereof, can pass through the post unless the impressed stamp which it bears be a stamp of the value at least of one penny.

§ 3. The title and date of the publication must be printed at the top of every page.

§ 4. The publication must be folded in such a manner that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover it will be considered sufficient if the stamps be so arranged that they can readily be examined. If this rule be infringed, a postage of one penny will be charged in addition to any other postage to which the publication, if properly folded, would be liable.

§ 5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together, nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

§ 6. It must be posted within *fifteen days* from the date of issue.

§ 7. It must have either a cover open at the ends, or no cover, otherwise it will be charged as an unpaid letter.

§ 8. It must contain no inclosure; if it do, the inclosure will be taken out and charged as an unpaid letter, together with an additional rate of one penny.

§ 9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, franked by a newspaper stamp, after having had the address of one person written upon the paper itself, be sent to another person, the first address must be cut off (obliteration not being sufficient). For any breach of this rule an additional postage of twopence will be charged.

§ 10. If the publication be addressed to any person within the free delivery of the place where it is posted, it will become liable to a postage of one penny, which must be prepaid by affixing a postage stamp; if this be not done an additional postage of twopence will be charged.

§ 11. In case the 1st, 2nd, 3rd, 5th, or 6th regulations be infringed, the publication will be charged as an unpaid book-packet with the double book postage.

§ 12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.

§ 13. Stamped publications can be also forwarded under the regulations of the Book Post; but when so sent the impressed stamp does not count as any part of the postage.

7. *Newspapers sent abroad.*—Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3rd, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover, the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage; and this postage must be prepaid in stamps.\* As respect newspapers going abroad the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British office is concerned, treated as such.

8. Each newspaper sent abroad must be prepaid the proper rate of postage, and if more than one copy be put up in a packet the packet must be prepaid, not according to its weight, but according to the number of copies in it.

9. *Newspapers for Russia.*—It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers or any other publication addressed to members of the Royal Family of Russia, the Imperial Ministers or members of the Diplomatic Corps. The admission into Russia of newspapers not of a political character, is permitted only in those cases where they are addressed to the house of some established bookseller to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia.

#### PARLIAMENTARY PROCEEDINGS.

10. *Parliamentary proceedings circulated inland.*—*Postage.*—Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

Weighing not more than 4 oz.	- - -	1d.
Weighing more than 4 oz., but not exceeding 8 oz.	- - -	2d.
Weighing more than 8 oz., but not exceeding 12 oz.	- - -	3d.
Weighing more than 12 oz., but not exceeding 16 oz.	- - -	4d.

and so on; one penny being charged for every additional quarter of a pound or fraction of a quarter of a pound.

\* Newspapers posted unpaid are retained at the Returned Letter Office for one week; and then, if the postage still remain unpaid, are destroyed.

The words "Parliamentary Proceedings" must be written or printed on the cover of the packet, otherwise it will be treated as an ordinary book-packet.

*Prepayment optional.*—Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

*Parliamentary proceedings, &c., sent abroad.*—Parliamentary proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a book post.

*Book Post, including (when the foregoing special privileges are not claimed) Newspapers and other periodical publications, and also Parliamentary Proceedings.*

11. *Inland Book Post, &c.*—The following are the regulations of the Inland Book Post:—

§ 1. Rates of Postage:		
Weighing not more than 4 oz.*	- - -	1d.
Weighing more than 4 oz., but not exceeding 8 oz.	- - -	2d.
Weighing more than 8 oz., but not exceeding 12 oz.	- - -	3d.
Weighing more than 12 oz., but not exceeding 1 lb.	- - -	4d.
Weighing more than 1 lb., but not exceeding 1½ lb.	- - -	5d.
Weighing more than 1½ lb., but not exceeding 1¾ lb.	- - -	6d.

and so on; one penny being charged for every additional quarter of a pound or fraction of a quarter of a pound.

§ 2. The postage must be prepaid by means of postage stamps affixed outside the packet or its cover. If the whole postage be not thus prepaid the packet is treated in the manner described in § 9, column I, page 6.

§ 3. Every packet must be sent either without a cover, or in a cover open at the ends or sides; so as to admit of the inclosures being removed for examination. For the greater security of its contents, the packet may be tied at the ends with string; but in such case the Postmaster is authorized to cut the string, although he is required to refasten the packet.

§ 4. A book-packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs when not on glass or in cases containing glass, prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints will be allowed, except such as may be printed on paper, parchment, or

\* If the weight be exceeded to the smallest extent, even though the balance be merely turned, the book or printed paper becomes liable to a higher postage. To provide therefore for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight. It should be remembered that a newspaper when wet weighs more than when dry. Forgetfulness on this point sometimes causes groundless complaints about charges for newspapers; the complainant having erroneously supposed, on weighing the newspaper on its arrival, and when it had had time to dry, that he had been overcharged. The foregoing observations apply also to books, &c., sent abroad.

*vellum*. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps, markers (whether of paper or otherwise), in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, &c., must not be sent as a second packet, nor can patterns or books of patterns (unless these consist merely of paper) be allowed.

§ 5. No book-packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter. Indeed as respects the name and address of the sender, not only is the writing permitted but recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned to the sender.

§ 6. No book packet must exceed two feet in length, or one foot in width or depth; and if any such packet be presented at a post office, it will not be received.

§ 7. Any packet which shall not be opened at the ends or sides, or shall have any letter or any communication of the nature of a letter *written in it, or upon its cover*, will be charged with the "unpaid" letter postage.

§ 8. If a packet be found to contain any letter not wholly printed, whether closed or open, or any inclosure sealed or otherwise closed against inspection, or any other unauthorized inclosure, the letter or inclosure will be taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter; together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, will then be forwarded to its address.

§ 9. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.

§ 10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

12. The main business of the Post Office being the transmission of letters, the forwarding of books and newspapers (which no one is compelled to send through the Post Office), though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag and hurriedly pressed down like a bundle of letters, should not be sent through the Post.

13. *Colonial and Foreign Book Posts.*—Except that the rates of Postage are higher, books can be sent to all British colonies, and to other foreign places, on the same conditions as those of the Inland Book Post. For exceptional Rates, and modification of Rules affecting certain countries, the British Postal Guide, published quarterly, ought to be consulted.

14. *Inland Pattern and Sample Post.*—The following are the rules of the Inland Pattern and Sample Post:—

§ 1. Rates of Postage.	s.	d.
For a packet of patterns, or samples, weighing		
“ not more than 4 oz., - - - -	0	2
“ more than 4 oz., but not more than 8 oz., - - - -	0	4
“ more than 8 oz., but not more than 12 oz., - - - -	0	6
“ 12 oz., but not more than 1 lb., - - - -	0	8
“ more than 1 lb., but not more than 1½ lb., - - - -	0	10
“ more than 1½ lb., but not more than 1½ lb., - - - -	1	0

§ 2. The postage must be prepaid by means of postage stamps.

§ 3. No packet of patterns or samples must exceed 24 oz. in weight. Any packet exceeding that weight will be sent to the Returned Letter Branch.

§ 4. There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles, otherwise the packet will be treated as a letter.

§ 5. There must be no inclosures other than the samples themselves; the particulars which are allowed to be furnished under the preceding rule must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples, or the bags containing them. Any loose inclosure will be taken out and forwarded to the address on the packet charged with the full postage as an unpaid letter, together with an additional rate of a penny.

§ 6. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, &c., which cannot be sent in open covers, may be inclosed in boxes, or in bags of linen or other material fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. Non-compliance with this rule will subject the packet to be treated as a letter.

§ 7. If a packet of patterns or samples be posted altogether unpaid, it will be charged with double the postage which should have been prepaid; if a portion of the postage be prepaid, even although only a penny stamp be affixed, the packet will be charged with the amount of the deficiency, together with an additional rate of twopence.

§ 8. In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back at the head office for 24 hours beyond the time when in ordinary course it would be forwarded.

§ 9. The rule which forbids the transmission through the Post of any article which might injure the contents of the mail bags, or the officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily

examined. If any packet containing such articles as these be posted which is found not to be sufficiently guarded, it will be stopped, and a notice of its detention will be sent to the person to whom it is addressed, or to the sender, who may then obtain it on personal application, but the packet will be charged with a fine equal in amount to the postage to which it was liable as a packet of patterns.

**15. Colonial and Foreign Pattern and Sample Post.**

—Patterns and samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage to such colonies and foreign countries as are marked in that Table with the letter "P." The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

§ 1. A packet of patterns or samples sent to France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

§ 2. A packet of patterns or samples sent to Germany, Russia, or Belgium, must not exceed 8 ounces in weight.

§ 3. None of the articles named in § 9, column 2, page 6, may be sent as patterns, or samples to any place abroad except Germany, Belgium, Denmark, Sweden, Norway, and the British colonies, and not to these places when addressed "via France."

§ 4. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign countries; and samples of intrinsic value must not be sent to foreign countries.

**POSTAGE STAMPS.**

**16. Postage Stamps must be kept for sale.**—Every Postmaster is required to have on hand a sufficient stock of postage labels of the following rates:—

*Postage Labels—Prices.*

1st rate Labels,	-	-	-	1d. each.
2nd. " "	-	-	-	2d. each.

1 " "	-	-	-	0s. 1½d.

**17. Stamps.**—Prepayment of inland letters, &c., must be by labels or embossed stamps. British postage stamps are not available as a general rule for the payment of letters, &c., coming into this country.

**18.** By using embossed envelopes all risk of the stamp being detached may be avoided; but when labels are used, they should be examined to see that they firmly adhere, since if they fall off, the letters, &c., will be charged with postage; which, in the case of inland letters, is double the prepaid rate. While,

as respects many letters addressed to places abroad, the transmission will be altogether stopped. The labels should be placed on the front of the letter, and upon the right hand corner of the upper side.

**19. Postage Stamps purchased from the Public.**—Certain Postmasters in England and Wales are permitted, though not compelled, to purchase postage stamps from the public, provided the stamps be not soiled or otherwise damaged, at a charge of 2½ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the payments are as follows:—

s.	d.	s.	d.
1	7½	for stamps of the value of	1 8
3	3	"	3 4
4	10½	"	5 0
6	6	"	6 8
9	9	"	10 0

and so on. The arrangement applies also to the following additional offices in Scotland, Aberdeen, Ayr, Dundee, Edinburgh, Glasgow, Greenock, Inverness, Kilmarnock, Kirkwall, Paisley, Perth, and Stirling.

**REGISTRATION.**

**20.** By the prepayment of a fee of fourpence, any letter, newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place in the United Kingdom, or the British Colonies; or to Italy. No newspaper, book, or other packet (except letters, addressed to a foreign country, except Italy) can be registered, and to some countries even letters cannot be registered, as shown in the table of Colonial and Foreign Postage.

**21.** The registration of a packet makes its transmission much more secure, and the loss of such a packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to serious risk, and the department cannot in any way undertake the safe conveyance of such packets. All inland letters, therefore, which unquestionably contain coin, even though they be posted without registration, are *treated as registered*, and charged on delivery with a double registration fee of *eightpence*, in addition to the ordinary postage, and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted are detained for the next despatch. This rule, however, applies as yet only to inland letters:

**22.** Every letter to be registered should be presented at the window, and a receipt obtained for it, and on no account be dropped into the letter-box. If, contrary to this rule, a letter marked "Registered" be dropped into the letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of eightpence, instead of the ordinary fee of fourpence. A registered letter, if reposted as an ordinary letter with the word "*Registered*" uneraser or erased in pencil only, will also be liable to a registration fee of eightpence.

**23. Time of Posting.**—The time for posting registered letters at Glasgow is half an hour before the closing of the mail by which they are to be despatched.

24. *Mode of Posting.*—The postage and registration fee of registered letters must be prepaid; and if the letter be inland, such prepayment must be by stamps.

25. No Letter Carrier, Rural Messenger or other servant of the Post Office, is allowed to carry a letter from any person to be registered.

26. *Parliamentary Notices.*—Parliamentary notices may be forwarded through the post under the following regulations:—

§ 1. The words "Parliamentary notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter, though this is not imperative.

§ 2. These notices must be posted either at the General Post Office, St. Martin's-le-Grand, in London; the General Post Office in Dublin; the General Post Office in Edinburgh; or at the chief office at one or other of the following towns:—

Aberdeen,	Inverness,
Athlone,	Leeds,
Belfast,	Lincoln,
Birmingham,	Liverpool,
Bristol,	Manchester,
Cork,	Newcastle-upon-Tyne,
Exeter,	Norwich,
Glasgow,	Shrewsbury.

§ 3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.

§ 4. The postage chargeable on these notices and the registration fee of sixpence on each must be prepaid by stamps.

§ 5. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged for the convenience of comparison in the order of the list. These lists will be examined by the officer in attendance at the window, and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

27. *Time for Posting Parliamentary Notices.*—The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office, in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are liable to an additional rate of postage like letters.

28. The senders of parliamentary notices should, if possible, arrange on the previous day with the Postmaster, as to the most convenient time for posting them, and state the probable number.

29. Notices relating to votes for members of Parliament belonging to any of the classes enumerated in the Acts 6 Vict. c. 18, and 13 and 14 Vict. c. 69, can also be sent through the post (with the securities for their safe delivery enjoined by the Acts), on prepayment in stamps of the postage, and of a registration fee of twopence, provided they be presented duly directed, open, and in duplicate, to the Postmaster of an office which is also a Money Order Office. On receiving the notices, the Postmaster will compare each with its duplicate, and if the two agree, the latter will be stamped and returned to the bearer. The production by the person who posted such notice of such stamped duplicate is evidence of the notice having been given to the person at the place mentioned, on the day on which such notice would in the ordinary course of post have been delivered there. The notices must be presented at least half an hour before the fixed time for posting ordinary letters. They are liable to the usual charge for re-direction.

30. *Poll-Books.*—When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating the time when he received it.

31. No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight or size.

32. *Jury Summonses.*—Under the following regulations jury summonses may be sent through the post:—

§ 1. They must bear the words "Jury Summonses" on each, on the same side as the address.

§ 2. The postage, together with a fee of twopence on each summons, must be prepaid in postage stamps.

§ 3. They must be posted at those offices only which are also Money Order Offices, and each must be accompanied with a duplicate endorsed with the name and address of the person to whom the original summons is directed. On receiving them, the Postmaster compares their addresses with those of the duplicates, and on being satisfied that they are alike, he forwards the originals in the usual course of post, but not as registered letters, returning the duplicates to the person who brought them, duly marked with the stamp of the office.

### DELIVERY.

33. Letter Carriers and Rural Messengers are prohibited from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they have completed them, except such as have passed through a Post Office. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter or newspaper, nor to deviate from the route laid down for them. The prohibition, however, from receiving payment in addition to the postage does not extend to Christmas gratuities.

34. *Delivery at Window.*—No person living within the town free delivery, unless he rent a private box, can obtain his letters at the office window.

35. In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post Office, although for persons residing within a free delivery from such office, but who have no private box, the officers of the Post Office are authorized, when such letters arrive by a mail for

which there is a delivery from house to house, to refuse to deliver them at the window (even though initials may be substituted for the name), and to send them out by the Letter Carriers.

36. *Private Boxes and Bags.*—Any person can have a private box who is willing to pay the appointed fee, which is fixed at one guinea per annum to be paid in advance, and for a period of not less than a year. The same also, in most cases, are the terms for a private bag, except that, in addition, there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum, if the bag be conveyed by a Rural Messenger, and two guineas if by a contractor for a mail cart or other horse post. The weight of a private bag, when empty, is limited to one pound. As the service of a private bag may possibly delay the despatch of the general bag, none are allowed without the permission of the surveyor.

### MONEY ORDERS.

37. *Application Forms.*—The public are recommended, when applying for Money Orders, to use printed "Application Forms," which save time, and afford greater security than verbal messages, against mistakes. These forms are supplied gratuitously at all Money Order Offices.

38. *Commission.*—The commission on inland Money Orders is as follows:—On sums not exceeding £2, threepence; above £2 and not exceeding £5, sixpence; above £5 and not exceeding £7, ninepence; above £7 and not exceeding £10, 1s.

39. No order is allowed to contain a fractional part of a penny.

40. *Particulars Required.*—With the subjoined exceptions, no Money Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid), together with the remitter's address:—

§ 1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and, if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company," to which kind of company the above privilege does not extend.

§ 2. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

41. When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes to be paid, otherwise the order can be cashed at the Head Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices, but the nearest Money Order Office to any street in London may be ascertained by referring to the Street List.

42. *Orders cannot be Cancelled.*—An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the paying Postmaster according to the directions printed on the back of the order.

43. The remitter of an order may make that order payable ten days after date, provided he sign the requisition "C" printed on the order, to defer payment until ten days after date, and affix a penny receipt stamp thereto.

44. *Payment of Money Orders.*—When an order is presented for payment (otherwise than through a bank) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person), and that it be presented crossed with the name of the receiving bank by some person known to be in the employment of the bank.

45. The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

46. Money Orders do not require a receipt stamp.

47. *Lapsed and Void Orders.*—Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January it must be paid before the end of March), otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. The period for payment of orders issued in the United Kingdom and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months, and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed "Lapsed Money Orders," containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January and not paid before the end of next January), all claim to the money will be lost.

48. No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time; and after once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim.

49. To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

§ 1. When he is well known to the payee, to sign the letter inclosing the order with his initials only.

§ 2. When this is not the case, either to make the order payable ten days after date, or to register the letter inclosing it, or to make the order payable through a bank.

§ 3. When it is not considered expedient to adopt either of these courses, to send the remitter's name

(without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

50. *Payment cannot be Demanded on day of Issue.*  
—Under no circumstances can payment of an order be demanded on the day of issue.

51. *Duplicate Orders, Transfers, Repayments, Alteration of Name, &c.*—In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and inclosing the amount of a second commission, in postage stamps) to the Comptroller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order a similar application, with inclosure of postage stamps, must be made to the Comptroller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the Postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application inclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed at the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

52. A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. I payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment shall communicate with the remitter, and request him to apply personally to the issuing Postmaster.

53. No letter-carrier or other servant of the Post-Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

54. *Colonies.*—Money Orders are issued at all Money Order offices in the United Kingdom of Great Britain and Ireland; on Money Order offices in Alexandria, Constantinople, Gibraltar, and Malta at a charge equal to threefold the commission on inland Money Orders, and on Money Order offices in the subjoined list at a charge equal to fourfold such commission:—

56. The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a Colony on the United Kingdom, will be made on application to the Comptroller of the Metropolitan Office of that portion of the United Kingdom in which such Colonial Order is payable, provided an additional British Inland Rate of Commission be inclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of Colonial orders originally drawn on their own offices.

57. For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the payee or remitter of an order issued by a Colony on the United Kingdom, the application on the subject, inclosing an additional Colonial Inland rate of Commission, must be addressed to the Comptroller of the Metropolitan Office of the Colony in which such order was issued.

## POST OFFICE SAVINGS BANKS.

58. *Hours of Business.*—Every Post Office Savings Bank, which is also a Money Order Office, is open for bank business during the same hours as for Money Orders.

59. *Amount of Deposits.*—Deposits of any amount, not less than One Shilling, and not including any pence, are received at any Post Office Savings Bank, provided those made by any separate depositor in any

year ending on the 31st December do not increase the total amount of his deposits by more than £30, and provided such total amount, exclusive of interest, is never more than £150. When any depositor's principal and interest amount together to £200, no more interest will be allowed until this sum of £200 be lessened.

60. *Name, Address, and Occupation of Depositor to be furnished, and Declaration to be made.*—On making his first deposit, every person must give his Christian and surname, and state his occupation and residence, and must sign the following declaration, to be witnessed by the Postmaster, or by some person known to the Postmaster, or by the minister or a churchwarden of the parish in which the depositor dwells, or by a justice of the peace; and if such declaration or any part thereof shall not be true, the depositor making the same will forfeit all right to his deposits:—

COPY OF DECLARATION TO BE SIGNED  
BY DEPOSITOR ON MAKING FIRST DEPOSIT.

In pursuance of an Act of Parliament,  
I, \_\_\_\_\_ of \_\_\_\_\_

do hereby declare to the Postmaster-General that I am desirous on my own behalf to become a depositor in the Post Office Savings Bank. I do further hereby declare, that I am not directly or indirectly entitled to any deposit in, or benefit from the funds of this or any other Savings Bank in Great Britain or Ireland, nor to any sum or sums standing in the name or names of any other person or persons in the books of the said Post Office Savings Bank; and I do hereby also testify my consent that my deposits in the said Post Office Savings Bank shall be managed according to the Regulations thereof.

Witness my hand this  
day of \_\_\_\_\_, 186 .

Signed by the said  
depositor in the .....  
presence of me, .....  
..... } .....  
..... }

Save and except such benefit as I may be entitled to from being a member of a friendly society legally established; or from such sum or sums as may be standing in my name as trustee jointly with the name or names and on behalf of any other depositor or depositors.

*If Depositor cannot Write.*—If the depositor cannot write, then on making the foregoing declaration, and in any other case in which his signature is required, the depositor must, in the presence of a witness, affix his mark to be attested by the witness' signature.

61. *Interest.*—Interest calculated yearly at the rate of £2 10s. per cent. per annum will be allowed on every complete pound deposited, reckoned from the first day of the calendar month next following the day on which a complete pound shall have been deposited or completed, up to the first day of the calendar month in which the moneys are withdrawn. The interest thus calculated will be at the rate of

one halfpenny per calendar month for every complete pound. The interest will be reckoned to the 31st December in every year, and will then be added to the principal.

62. *Transfers of Deposits.*—A depositor in the Post Office Savings Bank may transfer his deposits to any other Savings Bank legally established; and on his written application, accompanied by his book, to the chief office of the Postmaster-General, in a form to be obtained at any Post Office Savings Bank, he will be furnished with a certificate of the whole amount due to him, and his account with the Post Office Savings Bank will thereupon be closed. A depositor in any legally established Savings Bank may transfer his account to the Post Office Savings Bank, and may require from the trustees or managers of such bank a certificate, stating the amount due to him, and thereupon his account with such bank will be closed. The certificate may be delivered at any Post Office Savings Bank, and will be received as a deposit of the amount therein set forth, and on the certificate being forwarded to London, and verified by the National Debt Commissioners, an account for the amount thereof will be opened with the depositor, and an acknowledgment for the amount will be sent to him.

63. *Withdrawals of Deposits.*—Any depositor wishing to withdraw the whole or part of the sum deposited by him, must make application for the same in a form which may be obtained at any Post Office Savings Bank. In this form the depositor must give the particulars therein required, and on receipt of it at the General Post Office in London, a warrant for the amount required, payable at the office named by the depositor, will be sent to him by post. This warrant must be presented by the depositor at the Post Office named thereon, together with the depositor's book, in which the Postmaster will enter the amount repaid, and attest the entry with his signature and the dated stamp of his office. The Postmaster will take from the depositor a receipt (not chargeable with stamp duty) on the warrant for the amount repaid to him. The Postmaster-General will endeavour to prevent fraud, and to identify every depositor transacting business with the Post Office Savings Bank; but if any person shall obtain possession of a depositor's book and then fraudulently represent himself to be the depositor, and by forwarding the proper notice of withdrawal, and by presentation of the depositor's book, and compliance with the rules of the department, shall obtain any sum of money belonging to that depositor, the Postmaster-General will not be responsible for the loss thereof.

64. *Repayments.*—Repayments will be made only to the depositor in person, or to the bearer of an order under his hand, signed in the presence of either the minister or churchwarden of the parish in which the depositor resides, of a justice of the peace, or in case of sickness, of the medical attendant. If the depositor be resident abroad, the signature must be verified by some constituted authority of the place in which he resides. A form of order, to be signed by the depositor on such occasions, may be obtained at the Post Office at which the warrant is made payable.

65. *Funds of Deceased Depositors not exceeding £50.*—In case any depositor shall die leaving any sum of money not exceeding £50, exclusive of interest, deposited in the Post Office Savings Bank, and

probate of his will, or letters of administration, be not produced to the Postmaster-General, or if notice in writing of the existence of a will and intention to prove the same, or to take out letters of administration, be not given to the Postmaster-General, at his principal office within one month from the death of the depositor; or if such notice be given, but such will be not proved, or letters of administration be not taken out, and the probate or letters of administration (as the case may be) produced to the Postmaster-General within two months from the death of the depositor, it will be lawful for the Postmaster-General, after such period of one or two months, as the case may be, to pay and divide such funds at his discretion to or amongst the widow and relatives of the deceased depositor, or any one or more of them, or, if he shall think proper, according to the Statute of Distributions.

66. *Funds of Deceased Depositors above £50.*—In case any depositor shall die, leaving any sum of money in the Post Office Savings Bank which (exclusive of interest), shall exceed the sum of £50, the same will only be paid to the executor or administrator on the production of the probate of the will or letters of administration of the estate or effects of the deceased depositor to the Postmaster-General.

67. *Payment on Death of a Depositor being Illegitimate and Dying Intestate.*—If any depositor, being illegitimate, shall die intestate, leaving any person or persons who, but for the illegitimacy of such depositor, and of such person or persons, would be entitled to the money due to such deceased depositor, it will be lawful for the Postmaster-General, with the authority in writing of the barrister-at-law appointed to certify the rules of Savings Banks, to pay the money of such deceased depositor to any one or more of the persons who, in his opinion, would have been entitled to the same according to the statute of distributions if the said depositor had been legitimate.

68. *Certificate for Exemption from Stamp Duty.*—For the purpose of obtaining, free of stamp duty, a probate of will or letters of administration, a certificate of the amount due to the deceased depositor will be granted on application to the Postmaster-General by the proper parties.

69. *Incapacitated Depositors.*—If any depositor shall become insane, or otherwise incapacitated to act, and the same shall be proved to the satisfaction of the Postmaster-General, then the Postmaster-General, if he shall be satisfied of the urgency of the case, may authorise payment from time to time out of the funds of such depositor to any person whom he shall judge proper to receive it.

70. *Settlement of Disputes.*—If any dispute shall arise between the Postmaster-General and any depositor, or any executor, administrator, next of kin, or creditor, or assignee of a depositor, who may become bankrupt or insolvent, or any person claiming to be such executor, administrator, next of kin, creditor, or assignee, or to be entitled to any money deposited in the Post Office Savings Bank, the matter in dispute must be referred in writing to the barrister-at-law appointed under the Savings Banks Acts, and whatever award shall be made by the said barrister will be binding and final without any appeal.

71. *Secrecy.*—The officers of the Postmaster-General engaged in the receipt or payment of deposits will not disclose the name of any depositor, nor the amount deposited or withdrawn by him, except to

the Postmaster-General, or to such of his officers as may be appointed to assist in carrying out the provisions of the Post Office Savings Bank Acts.

### MISCELLANEOUS REGULATIONS.

72. The Post Office is not responsible for any injury which books or other articles forwarded by post may sustain, neither is it responsible for any loss or inconvenience which may arise from the mis-sending, mis-delivery, loss, &c., of a letter or any other postal packet.

*Limit to Size of Letters, &c.*—With the following exceptions, no inland or foreign letter, &c., can be forwarded by the post which is more than two feet in length, or one foot in breadth, or depth. The exceptions are—

§ 1. Packets to or from any of the Government offices or departments, or public officers.

§ 2. Petitions or addresses to the Queen, whether directed to her Majesty, or forwarded to any member of either House of Parliament.

§ 3. Petitions to either House of Parliament, forwarded to any member of either House.

§ 4. Printed Parliamentary proceedings.

73. *Official Information.*—No information can be given respecting letters which pass through a Post Office\* except to the persons to whom they are addressed; nor can the address of any private person be given, and in no other way is official information of a private character allowed to be made public.

74. *Letters† cannot be returned to Writers.*—Postmasters are not allowed to return any letter to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter must be delivered to the person to whom it is directed, and to him alone, at the address it bears.

75. Should a letter be forwarded under cover to any postmaster with a request that he will repost it at his office, such request will not be complied with; and the letter and application respecting it will be sent to the returned letter-office.

76. *Re-directed Letters, &c.*—Every re-directed letter or other postal packet will be liable to an additional postage (at the prepaid rate).

77. A registered letter, when re-directed, is liable to the same additional charge as an ordinary letter, and, if re-posted after having been delivered at the original address, a second registration fee must be paid with it.

78. Letters which have once been posted, addressed to commissioned officers in the army, navy, or ordnance, or to non-commissioned officers, private soldiers, or seamen employed on actual service in any of Her Majesty's colonies, or on any foreign station, and who, before receiving the letters, may have started on their return home or to another station, may be re-directed to such officers, private soldiers, or sea-

\* The term "Post Office" applies to all Post Offices, whether Head-Office, Sub-Office, or Receiving Office. A "Head-Office" is an Office subordinate only to a Metropolitan Office. Both Sub-Offices and Receiving Offices are under Head-Offices; but at Receiving Offices letters are received only, not delivered.

† The term "Letters," &c., is meant to include everything sent by the post; whether letters, newspapers, books, or aught else.

men when these have removed *upon service*, and will be delivered to them without any charge for re-direction. The same privilege extends to the letters of non-commissioned officers, private soldiers, and seamen, re-directed from one part of the United Kingdom to another part of the United Kingdom, or from the United Kingdom to a place abroad; but no such privilege is allowed with regard to letters for a commissioned officer re-directed from one part of the United Kingdom to another, or, if posted in the United Kingdom, re-directed to a place abroad.

79. A Postmaster is not bound to re-direct letters, for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited, or the letters would be delayed in their transmission by being sent to the house to be re-directed there. In all cases of re-direction, a written authority duly signed by the person to whom the letters are addressed must be sent to the Postmaster.

80. *Sunday*.—During the time the office is open on Sunday (viz., from eight to nine in the morning), the public are allowed to prepay foreign and colonial letters, to purchase postage stamps, and to have letters registered; and all other duties are performed as usual, except Money Order and Savings Bank business, which on that day is wholly suspended.

81. Private box-holders have the option of applying for letters at the office while it is open for delivery on Sunday, or of abstaining from so doing as they may think proper; but no person can be permitted to engage a private box for Sunday only.

82. *Change and Bad Money*.—No Postmaster is bound to give change, or is authorised to demand change; and when money is paid at a Post Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

83. *Postmasters not bound to weigh letters for public*.—Except as regards foreign and colonial letters about to be prepaid in money, the officers of the Post Office are not bound to weigh any letters or other packets for the public, though they may do so if their duty be not thereby impeded.

84. *Forbidden Articles*.—The officers of the Post Office are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag or the person of any officer of the Post Office. If such a letter, &c., be posted in the letter-box, and discovered before its despatch, it is detained, and a report of the case made to the Secretary G.P.O. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or combustible.

85. *Undelivered letters*.—When the reason for the non-delivery of a letter, &c., is "Deceased," the letter is sent, as soon as practicable, to the Returned Letter Office, as are all letters intended for ships which have sailed before the arrival of such letters at the port of departure. When the reason is "Refused," the letter, if an inland one, is retained at the Post Office for one day only before being sent to the Returned Letter office, unless the refusal be conditional, in which case the letter is kept for three days,

as are all foreign or colonial letters when refused, and letters, whether inland or foreign, marked "Not known," or "Gone away." When the reason is "Not called for" (the letter being addressed to a Post Office), the packet is retained one month; except in the case of letters at seaports addressed to persons on board ships expected to arrive at such ports, which letters are kept three months.

86. *Penalties for sending Letters otherwise than through the Post*.—By the Act 1st Victoria, cap. 33, sec. 2, any person conveying otherwise than by the Post a letter not exempted from the exclusive privilege of the Postmaster-General incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

87. *Exceptions from exclusive privilege of Post Office in conveyance of Letters*.—The following are the exceptions granted by the Act 1st Victoria, cap. 33, from the exclusive privilege of the Post Office, in the conveyance of letters:—

§ 1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed.

§ 2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof; commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a court of justice.

§ 3. Letters sent out of the United Kingdom by a private vessel (not being a packet boat).

§ 4. Letters of merchants, owners of vessels of merchandize, or the cargo or loading therein, sent by such vessels of merchandize, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise.

§ 5. Letters concerning goods or merchandize sent by common carriers, to be delivered with the goods which such letters concern, without hire or other advantage for receiving or delivering such letters.

§ 6. No person is authorized to make a collection of such excepted letters for the purpose of sending them in the manner above described.

88. The following persons are expressly forbidden to carry a letter, or to receive or collect or deliver a letter, even though they shall not receive hire or reward for the same:—

§ 1. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.

§ 2. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet boats, sailing or passing coastwise, or otherwise between places within Great Britain or Ireland, or between, to, or from ports within her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board.

§ 3. Passengers or other persons on board any such ships, vessels, steam-boat, passage or packet boat.

§ 4. The owners of or sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other her Majesty's dominions.

## MAILS FOR THE ORKNEY ISLANDS.

From the 1st April to the 30th September, the mails are despatched daily (excepting Sunday), from Thurso, in Caithness, at 9.40 a.m., returning from Stromness at 4.45 a.m. During the winter months, however, the mails are despatched on alternate days only, from Thurso at 12 noon, and from Stromness at 7.30 a.m. The distance is 30 miles.

## MAILS FOR THE SHETLAND ISLANDS.

The mails for the Shetland Islands are despatched from Aberdeen every Friday Evening, arriving at Kirkwall on Saturday, and at Lerwick on Sunday Morning; returning from Lerwick to Aberdeen every Monday at 6 and 10 p.m. alternately, and from Kirkwall to Aberdeen every Tuesday at 6 a.m., during the summer, from April to October. In winter the mails are conveyed direct from Aberdeen to Lerwick by a sailing packet, the despatch and arrival of which are uncertain. The distance direct is about 200 miles.

## LIST OF POST TOWNS AND SUB-OFFICES IN SCOTLAND.

When in the subjoined list *one* place only is mentioned, it is a Head Office, and when there are two, the *first* is a Sub-Office, and the *second* is the Head Office to which the first is subordinate. It sometimes happens that there is a Money Order Office *nearer* the Sub-Office than is the Head Office. In these cases such Money Order Office is added as a *third* name for the information of any persons who may wish to remit money to the neighbourhood.

Offices at which both Money Order and Savings Bank business is transacted, are marked thus, *m*, and those which are Money Order Offices, but not Savings Banks, thus, *o*.

# EXPLANATIONS RELATIVE TO THE FOLLOWING TABLE OF COLONIAL AND FOREIGN POSTAGE.

## ABBREVIATIONS.

Fri. ....	Friday.	Mo., Mon., ....	Month.
M. ....	Morning.	Pkt.....	Packet.

E. ....	Evening.	Sat. ex. ....	Saturday excepted.
Ev. ....	Every.	Tues. ....	Tuesday.

## LETTERS WEIGHING MORE THAN ONE OUNCE.

The postage of a letter above the weight of an ounce progresses as follows:—

When the amount in column E of the table of Colonial and Foreign Postage is found to be three times as much as in column A, as in the case of the Cape of Good Hope, the amount in column A is to be reckoned for every half ounce; when the amount in column E is found to be four times as much as in column A, as in the case of Hong Kong, the amount in column C is to be reckoned for every ounce after the first; when the amount in column E is found to be five times as much as in column A, as in the case of France, the amount in column A is to be reckoned for every quarter of an ounce.

## OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to be returned to the writer.

## DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER, &c.

The letter *a* prefixed to any division shows that the postage there entered does not carry the letter from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

## TURKEY, MOLDAVIA, WALLACHIA.

In the case of letters forwarded via Belgium for other places in Moldavia than Botuschany, Galatz, and Jassy, or for other places in Wallachia than Bucharest and Ibraila, the writers should specify in the address to which of the above towns they desire their letters to be forwarded, and the rate as far as that town *must then be paid in advance*.

It is recommended that any letters for Erzeroum and other parts of the interior of Armenia, or for Persia, be addressed to the care of some agent in Samsoun or Trebizond, to be forwarded to their destination. Letters for such places in Turkey in Asia and Asia Minor as have no Austrian Post Offices, should be addressed to the care of an agent residing in the nearest port at which an Austrian Post Office has been established.

### SHERIFF SMALL DEBT COURTS.

For the recovery of debts not exceeding £12, sits every Monday, Wednesday, and Thursday, for Glasgow, on Tuesdays for Lanark and Airdrie, and Fridays for Hamilton, and have jurisdiction over the whole of Lanarkshire. The defenders are cited before this court on an induciæ of six days; warrants to arrest on the dependence are issued; the decree may be extracted, and arrestments used upon it instantly; and it may be enforced, in all cases, by pointing and sale of the debtor's effects, and when above £8 6s. 8d. by imprisonment, all ten free days after its date. In case of the debtor removing to a different county, the decree may be enforced against him there, on being endorsed by the Sheriff Clerk of the county to which he removes. Judges—Sheriff and Sheriff-Substitutes of the county.

*Note.*—An act was passed in 1840, abolishing imprisonment for debts under £8 6s. 8d., excepting claims of aliment, &c.

### FORM OF PROCEEDING IN THE RECOVERY OF SMALL DEBTS.

Debts may be recovered in a summary manner before the Justice of Peace Court to the extent of £5; and before the Sheriff Courts to the extent of £12.

The first step is set forth in a complaint or libel, agreeably to a prescribed form (the Clerks of Court will provide the necessary forms), the origin of the debt, or ground of action; and to cause a copy of the complaint, and of the account, if any, to be served on the defender by an officer; and a warrant will, at the same time, be obtained to cite witnesses.

The parties may appear either by themselves or by members of their families, or others whom the Court may authorise; but in no case by persons practising the profession of the law, or by officers of Court, without special leave of the Court, on cause shown.

If the defender fail to appear after being cited, he will be held as confessed, and judgment will be given against him.

But when decree is given in absence against the defender, he may, before the expiry of the charge, apply for a rehearing, on consigning the sums decreed for in cases before Justices, and in cases before Sheriff by consigning 10s. of expenses, on applying within three months from date of charge.

If decree in absence be given against the pursuer, he may, within one month, obtain a rehearing on consigning 2s. 6d., if the case be before the Justices; and the expenses decreed for, with 5s. to meet further expenses, if the case be before the Sheriff.

The case will be adjourned upon the pursuer or defender offering a suitable excuse, or if any witness be absent.

If decree be given against the defender, diligence may proceed against him by arrestment instantly; and by pointing and sale, and, if above £8 6s. 8d., by imprisonment, all at the end of ten days before the Sheriff; and by pointing and sale instantly, before the Justices.

If decree be given against the defender in his absence, poiding and sale, or imprisonment, as above, can only follow after a charge of ten days.

The defender, on showing cause, may be allowed to pay the sums decreed for by instalments.

The decrees of the Sheriff and of the Justices may be executed in any county, on the same being endorsed by the clerk of such county.

Any arrestment used in cases before the Sheriff must be used within sixty days after the warrant is obtained, and renewed every three months; and such arrestments may be loosed, on offering sufficient caution, or on showing evidence of absolvitor or payment, or on consigning the sums demanded, if before decree.

The above forms will apply to any action of forthcoming whatever, before the Sheriff, for making effectual arrestments; but in such cases both the defender and arrestee must be cited to appear in court on the same day.

Decrees, pronounced in this summary form by the Sheriff, will only be reviewable by the next Circuit Court of Justiciary; or if there be no Circuit Court, by the High Court of Justiciary at Edinburgh, on the ground of corruption, or malice, or oppression, on the part of the judge.

Such decrees, when pronounced by the justices, will only be reviewable by a reduction before the Court of Session, on the ground of malice and oppression on the part of the justices, and such reduction will only be competent for one year, and finding caution for costs.

No person is exempt from the jurisdiction of justices or sheriffs in such cases, by reason of privilege as a member of the College of Justice.

Ferguson, James Buchanan, J. D. Veitch, Wm. G. Lindsay, J. L. Aird, John Sloane, Charles B. Aikman, John Dalrymple, Charles M'Killop, George Stevenson, members of council.

Henry A. Lambeth, conductor; W. M. Foster, leader of orchestra; George Jamieson, officer.

The Choral Union was formed in 1855 by the amalgamation of the Glasgow Musical Association, instituted in 1843, and the Glasgow Harmonic Society, instituted in 1850. Including chorus and orchestra, it numbers about 500 members. The meetings are held in the Lesser City Hall, South Albion Street, on the evenings of Monday, Wednesday, and Thursday in each week during the season. The part practisings of the chorus take place on Mondays—soprano and alto, tenor and bass alternately; general rehearsals, chorus and orchestra combined, on Wednesdays; orchestra alone on Thursdays.

The object of the Union is the cultivation of a taste for classical music, and for this purpose frequent public performances are given, in addition to the weekly meetings. The qualifications for membership are a good voice and ear, or knowledge of an instrument, combined with the ability to read music at sight. A committee meets monthly to test applicants for admission, who must previously make written application to the secretary. Gentlemen pay an annual subscription of 5s. Tickets in force for one year from date of entry.

The Union receives subscriptions entitling to tickets at four concerts during the season on the terms stated in undernoted excerpt from rules:—

## SECTION III.—SUBSCRIBERS.

1. Ladies or gentlemen may subscribe to the concerts by an annual payment, which shall entitle each subscriber to two reserved places at four concerts, given by the Union during the currency of the subscription.

2. The subscribers will be entitled to attend only at the four principal concerts usually given by the Union, as under:—

Two (morning and evening) on 1st January.

One in February, March, or April.

One in October or November.

3. Subscriptions will be received at two rates: at £1 11s. 6d. for reserved places in principal part of concert room, and at £1 1s. for second seats—in all cases payable in advance.

4. Subscribers may enter at any time during the year (*except when lists are full, when they are admitted as vacancies occur, and according to priority of application*).

5. The council may authorise subscribers to attend or participate in the practisings of the Union; but such authority shall not be effectual beyond the session in which it has been granted.

6. Should the Union at any time decide on conducting or participating in a musical festival, the admission of subscribers shall be suspended at any time, and for such period as the council may determine; and the proportion of current subscriptions then applicable to any of the four concerts to which subscribers have the right of admission, shall be repaid.

The River Clyde is divided into Three Stages, and the following are the Rates exigible upon each :—The first stage extends from Stockwell Bridge to the Old Ferry at Renfrew, being about six hundred and sixty yards to the east of the present Ferry, and the rates on Vessels, Goods, Animals, and Carriages, passing in

or upon any part thereof, are two-third parts of the aforesaid rates. The second stage extends from the Old Ferry at Renfrew to the mouth of Dalnuir Burn; and the rates exigible thereon are one-sixth part of the aforesaid rates. The third stage extends from Dalnuir Burn to Newark Castle; and the rates exigible thereon are one-sixth part of the aforesaid rates.

The Rates on all Goods carried by Vessels moored or placed in the portion of the Harbour of Glasgow, between Glasgow Bridge and Hutchesontown Bridge, will, on and after 1st January, 1865, be reduced to one-half the rates specified in the Trustees' published table of rates, as authorized to be levied on the same description of goods respectively, when carried coastwise.

Goods on which the Reduction will be made, must, in terms of the Clyde Navigation (Glasgow Harbour Tramways) Act, 1864, consist of coasting traffic, and be destined to, or brought from places on the River or Frith of Clyde, within a straight line drawn due East and West, from the Cloch Lighthouse.

#### REGULATIONS FOR TIMBER YARD.

The Trustees of the Clyde Navigation will allow Timber, Deals, Battens, Staves, and Lathwood to be Landed and Stored on the ground at Stobcross Timber Yard, under the following regulations:—

I. All Timber to be Landed and Stacked in such manner as shall be directed by the Harbour Master.

II. No Deals, Battens, Staves, or Lathwood shall be allowed to remain in the South Yard (next the jetties) for a period exceeding four weeks after the ship is discharged, except with the sanction of the Harbour Master. Spars and square timber shall be at once taken to the North Yard.

III. After the expiry of the above four weeks, the timber will, if there is room, be allowed to remain in the South Yard for seven days longer; but if not wholly removed by that time, what remains will, without further notice, be removed at the risk and expense of the owner.

IV. No Rent will be charged for the first four weeks after the cargo is landed; thereafter Rent to be paid at the rate of one penny per ton per month, or part of a month, on oak, elm, ash, birch, fir, and pine; twopence per ton per month, or part of a month, on teak and crooked timber; threepence per ton per month, or part of a month, on mahogany; and sixpence per ton per month, or part of a month, on Brazil, ebony, and other fancy woods (50 cubic feet of fir timber to be computed one ton; 40 cubic feet of hardwood, one ton; 600 pieces of hogshead staves, one ton; 150 pieces of standard pipe staves, one ton).

V. When timber is sold by the importer or agent on the ground, he shall, notwithstanding, continue liable, not only for the rent previously due but also for the rent for one month after the date of the sale, and shall only be relieved of liability thereafter upon giving to the Harbour Master, at the expiry of said month, a list of the names of the purchasers whose timber shall not then have been removed.

VI. All rent and expenses to be paid before the timber is removed from the Yard.

VII. The Clyde Trustees undertake no responsibility for the safe custody of the timber, and it can only be allowed to remain in the Yard at the risk of the owner.

### LIFE DEPARTMENT.

The Accumulated Premiums are over £1,650,000.

The Annual Income exceeds £170,000.

BONUSES have been declared on some Policies to an amount GREATER THAN THE SUM ORIGINALLY ASSURED.

PREMIUMS HAVE BEEN EXTINGUISHED where the parties assured have applied the Bonus in reduction of the Annual Premium.

The Bonus up to Christmas, 1864, was the eighth declared by the Company; the first being up to Christmas, 1823. The total Surplus divided amongst the Assured up to the present time, amounts to the sum of £1,258,106 in actual money, and is represented by a still larger reversionary sum payable at death. The next valuation will be made up to Christmas, 1869.

The sum of £4,301,661 has been paid during the existence of the Office for claims under Life Policies, of which amount a very considerable part was for Bonuses.

Persons assuring in Great Britain have the option of—

PARTICIPATING RATES OF PREMIUM, or of NON-PARTICIPATING RATES.

The Rates of Premium have been adjusted in accordance with a long experience, and bear equitably on all ages.

The Non-Participating Scale is particularly adapted to parties wishing to assure a fixed sum only, at a fixed rate of Premium, and on low terms.

Combined provision may be made for Old Age and Early Death, so that a person may secure a sum of money *for himself*, to be paid at a stipulated Age, if he should live so long, or to be paid to his Executors if he should die before that age. This feature in the ATLAS OFFICE arrangements deserves particular attention, as likely to meet the requirements of a large number of persons.

No extra Premium is required for the voyage to or residence in any part of Europe during peace; nor on the lives of persons in the Army or Navy while residing in the United Kingdom in time of peace.

Residence in countries beyond the limits of Europe is allowed on favourable terms; in most temperate climates without extra premium; a moderate charge being made for the voyage only.

Whole World Assurances are granted.

## FIRE DEPARTMENT.

This Company undertakes the Assurance of almost every species of Property in the United Kingdom, at rates of Premium, and upon principles which will be found quite as advantageous to the interests of the Assured as those offered by any other. The Directors can confidently refer to the well-known character of the Company for liberality and promptitude in the discharge of claims made upon it during the many years it has been established.

Mills, Manufactories, Sugar Houses, Distilleries, Warehouses, Stores, Ships Building, Ships in Harbour, Houses, Furniture, Stock-in-Trade, &c., assured for the year, or any shorter period.

The Policies of this Company cover losses occasioned by the explosion of Gas. Losses occasioned by Lightning will also be paid.

FIRE DUTY now reduced to 1s. 6d. per cent. per annum on every description of Property, and no charge for Policies or Stamps.

Tables of Rates, Forms of Proposal, and any information needful to effect Life or Fire Assurances, may be obtained on application to the Office, No. 92 Cheapside, London; or to any of the Company's Agents.

## PROGRESS OF THE COMPANY.

**T**HE Number of LIFE POLICIES issued during the last four years of the current quinquennial period—viz., from 1st August, 1861—has been 4057.

INSURING SUMS TO THE AMOUNT OF . . . £1,841,199.

The next Investigation and Division of Profits takes place on 1st August, 1866, when the Profits during the five years preceding falls to be divided among the Policy-holders entitled to participate.

All Policies taken out before 1st of August, 1866, will share in the Division.

## DIVISION OF PROFITS.

Each five years every Policy-holder entitled to participate receives a share of the Surplus in exact proportion to the Premiums paid during the five years, with accumulated interest thereon. The share of Profits so allocated is then converted into a Reversionary Bonus, according to the age of the party.

While this system gives to each an exact proportion, it will be found alike favourable to young lives, whose prospects of longevity are greater, and to parties entering at middle life or the more advanced ages; the Premiums paid by them being higher than at early ages.

## FIRE DEPARTMENT.

In this branch of the Company's Business the Revenue has increased upwards of 50 per cent. during the last seven years, and now amounts to £56,000.

The Revenue of the Company from all sources is now £205,000, and has been derived from Business transacted in the United Kingdom alone—the Company not having any Foreign Agencies. When this fact is kept in view, as well as the active competition existing among Insurance Companies, it cannot but be regarded as very satisfactory that this Company has not only maintained, but has highly increased its Business and Revenue during the past year.

At the last Division of Profits the REVERSIONARY BONUS in DEPARTMENT I, ranged, according to the age of the Assured, from 35 to 86 per cent. on the amount of Premiums paid. The System adopted by this Institution gives to the Assured every advantage Life Assurance is capable of affording; and the success with which it has been attended, arising from its extended connection, and the safe and liberal principles on which it is founded, is sufficiently proved by the fact, that it has issued

THE Company, established in 1823, has existed upwards of forty-two years, and has been Incorporated by Act of Parliament, for the purpose of carrying on the business of Life Assurance in all its branches, on the most liberal and improved principles. The success which has attended the Company since its commencement, and its annually increasing prosperity, is a gratifying proof that the principles upon which it is founded are calculated to confer great benefits on Assurers.

The following are the principal advantages given by the Company:—

MUTUAL ASSURANCE, without Liability. See English Law Cases for Call on the Policy-holders in a Mutual Insurance Society for Debts of the Society.

The guarantee of a responsible body of Proprietors, either personally or otherwise, assured with the Office, affords the most undoubted security to all classes of Assurers, in addition to the accumulated and invested fund of the Company.

NINE-TENTHS of the WHOLE PROFITS Septennially divisible among the Assured.

AN INTERMEDIATE BONUS, subject to an Annual Declaration, between one investigation and another.

All the advantages of an Annual Division are thus given, without its attendant evils.

THE MOST EQUITABLE PRINCIPLE OF DIVISION.

The greatest benefits are thereby bestowed upon all *first class lives*, by no undue Bonus being paid away to those *who may die early*.

RATES OF PREMIUM EXTREMELY MODERATE.—The non-participation scale very favourable for security on Loans, or for *partnership* Insurances. Policies may be effected by Yearly, Half-yearly, or Quarterly Premiums, or on Half-credit System, or Ascending Scales.

Under Five Declarations of Bonus, the last of which was made at 31st August, 1863, the following are a few examples of Total Bonus Additions declared on some of the existing Policies of the Company, according to age and endurance:—

Later Entrants have received Bonuses proportionate to their endurance and payments.

Bonuses may be surrendered for Cash, or applied in reduction of the annual premiums. By this latter course, several of the oldest Policy-holders have redeemed their Premiums, with a Bonus still attaching to the Policy, and *increasing*.

## LIFE DEPARTMENT.

**T**HE Arrangements of this Office are based on principles that have been verified by experience.

The Rates of Assurance of fixed sums are very moderate.

Extra Premiums for Foreign Residence have been dispensed with to a great extent, and a very important rule has been adopted to protect the interests of parties holding Policies on the Lives of others, who may incur extra risks without the knowledge of the holders.

For surrender of Policies of the ordinary class, after three years' endurance, a liberal return of Premiums according to a fixed rule, is *guaranteed*, besides the value of vested Bonuses where such have been declared.

According to the constitution of the Company, Investigations must be made at intervals not exceeding five years. The last Investigation took place at 31st January, 1862, when Bonuses were added to all Assurances of the Participation Class; and the following results of this and previous declarations may be stated.

1. A Policy for £1000 on which 7 years' premiums had been paid was increased in 1862, to £1098 2 10
2. A Policy for £1000 on which 12 years' premiums had been paid was increased to £1170 15 7
3. A Policy for £1000 on which 17 years' premiums had been paid was increased to £1243 19 1
4. A Policy for £1000 on which 22 years' premiums had been paid was increased to £1319 16 2

A further Bonus is also payable on Policies, to which vested additions have been made, becoming Claims before next Investigation—an arrangement which secures for such cases advantages similar to those of Annual Investigations.

*POLICIES are indisputable after five years, if the age of the Assured is admitted.*

## FOURTH DIVISION OF PROFITS.

**A** SPECIAL GENERAL MEETING of the PROPRIETORS was held on Friday the 4th May, 1866, to receive the Report of the FOURTH INVESTIGATION of the AFFAIRS of the ASSOCIATION as at Christmas, 1865.

Prior to the VALUATION, a strict scrutiny of the SECURITIES on which the FUNDS of the OFFICE are invested, both in England and Scotland, was undertaken by Committees of the Directors in London and Edinburgh. THE POSITION OF EACH TRANSACTION WAS CAREFULLY EXAMINED, AND IN EVERY CASE IN WHICH LOSS OR DEPRECIATION HAD OCCURRED, THE AMOUNT, AS FAR AS COULD BE ASCERTAINED, WAS WRITTEN OFF.

The VALUATION of the POLICIES has been made by JOHN HILL WILLIAMS, Esq., F.I.A., the Actuary of the Association. Each Policy has been valued separately, and the Net Premiums only have been taken into account. All the calculations have been made in duplicate, and the results compared and finally settled with great care.

From the ACTUARY'S REPORT, and the relative STATEMENTS and GENERAL BALANCE SHEET, it appeared that the ASSETS and LIABILITIES of the OFFICE, as at Christmas 1865, stood as follows:—

TOTAL ASSETS, including the Present Value of the NET PREMIUMS,.....	£1,462,578
TOTAL LIABILITIES, including the Present Value of the SUMS ASSURED and previous BONUS ADDITIONS,.....	£1,399,360

Leaving a FREE DIVISIBLE SURPLUS of.....	£63,218
without encroaching on the Reserve for future Expenses and Profits.	

IN ACCORDANCE with the PROVISIONS of the DEED of CONSTITUTION and the Resolutions of previous General Meetings, the Meeting proceeded to appropriate the declared Surplus in manner following:—

1. TO THE ASSURED:—To provide for the following REVERSIONARY BONUS ADDITIONS to all Policies entitled to participate in Profits:—

- (1.) An Addition to all PARTICIPATING POLICIES, effected for the WHOLE TERM of LIFE and in force at the date of Investigation, of a REVERSIONARY BONUS at the rate of ONE-AND-A-HALF PER CENT. PER ANNUM on the SUM ASSURED, for every FULL ANNUAL PREMIUM paid since the previous Division of Profits.
- (2.) An Addition to the ENDOWMENT POLICIES, entitled to participate in Profits, of a REVERSIONARY BONUS at the rate of ONE PER CENT. PER ANNUM on the SUM ASSURED, for each FULL ANNUAL PREMIUM paid since the previous Division of Profits.

The Present Value of such Reversionary Bonuses,.....	£55,831
--	---------

2. TO THE PROPRIETORS:—TEN per CENT. of the Divisible Surplus, to be applied by way of INCREASE, during the next FIVE YEARS, to the ORDINARY DIVIDEND on their Shares,..... 6,321

Making a Total of,.....	£62,152
And leaving a Balance to be reserved of,.....	1,066
	£63,218

The REVERSIONARY BONUS ADDITIONS may be converted, at the option of the Policyholders, into

1. An IMMEDIATE CASH PAYMENT of the Present Value of the Bonus, or
2. An EQUIVALENT REDUCTION of PREMIUM for the Remainder of Life, or during the next Five Years.

The BONUS ADDITIONS are not deferred, but vest immediately on declaration.

THE NEXT QUINQUENNIAL INVESTIGATION WILL TAKE PLACE AT CHRISTMAS, 1870. POLICIES EFFECTED DURING 1866 under FULL ANNUAL PREMIUMS WILL BE ENTITLED TO FIVE YEARS' BONUS ADDITIONS AT THE DIVISION OF PROFITS THEN TO BE MADE.

NINE-TENTHS OF THE PROFITS ARE DIVIDED AMONG THE ASSURED EVERY FIVE YEARS, NEW ENTRANTS PARTICIPATING AT EACH DIVISION.

The Directors invite special attention to three most vital considerations:—

*First*, By publishing the details of their BALANCE SHEET, and of the principles adopted in their periodic investigations, they enable every one interested to judge of the SOUNDNESS and STABILITY of the Company, and give the best guarantee for continued prudence in all their operations.

*Secondly*, Whilst making the ample provision for future liabilities, of which the evidence has just been referred to, they have made BONUS ADDITIONS to their policies in their Life Assurance Branch at the rates, successively, of ONE POUND, ONE POUND FIVE SHILLINGS, and ONE POUND TWELVE SHILLINGS AND SIXPENCE *per cent. per annum*. These Bonuses will stand a favourable comparison with those declared by the oldest and most successful Life Offices in Scotland, whether mutual or proprietary, when the relative rates of premium are taken into account.

*Thirdly*, Whilst thus providing for safety on the one hand and for liberal Bonuses to the Assured on the other, the Directors have had the satisfaction of accumulating such large additions to the PAID UP CAPITAL and RESERVE as have greatly increased the security of the persons insured, and at the same time improved the value of the Stocks to the Shareholders in a degree which far exceeds the experience of the great majority of Scottish, as well as English Offices, notwithstanding the greater age, and in some cases the more extensive transactions, of these Offices.

Every description of LIFE ASSURANCE, FIRE INSURANCE, AND ANNUITY BUSINESS,  
transacted on the most favourable terms.

*Letter from the Secretary of Accrington Spring Fair and Agricultural Show.*

TO THE BRITISH SEWING MACHINE CO.

GENTLEMEN,—I beg to say that the Prize offered by our Agricultural Association was awarded to you for the Best Sewing or Stitching Machine—The "Alexandra" (Pileam's Patent) Lock-Stitch Sewing Machine—in competition with the Wheeler & Wilson's Sewing Machine.

Yours respectfully, JOHN DUGDALE, SECRETARY.

Show Meeting, April 6th and 7th, 1865.

Seven Substantial Reasons why Ladies should Choose the ALEXANDRA Sewing Machine.

- |            |   |
|------------|---|
| 7 REASONS. | First.—THE ALEXANDRA is the most efficient of all existing Machines, producing all kinds of work in all materials, from the finest muslin to 24 plies of strong jean. |
| 7 REASONS. | Second.—THE ALEXANDRA is a marvel of simplicity, in respect of its exquisite mechanism, which is easily understood, and easily manipulated.                           |
| 7 REASONS. | Third.—THE ALEXANDRA is noiseless, obviating the great objection to the older Machines which could not be introduced into quiet houses.                               |
| 7 REASONS. | Fourth.—THE ALEXANDRA will not fatigue the most delicate Lady. It is so easily worked that the tiny foot of a child has driven it with ease.                          |
| 7 REASONS. | Fifth.—THE ALEXANDRA is a compact Machine and elegant in appearance.  |
| 7 REASONS. | Sixth.—THE ALEXANDRA is remarkable for its speed.   |
| 7 REASONS. | Seventh.—THE ALEXANDRA is the Cheapest Lock-Stitch Machine in the World.  |

THE BRITISH SEWING MACHINE COMPANY (LIMITED), BRITANNIA WORKS, GLASGOW, are now preparing a Book of Testimonials, which will fully establish the claim of the ALEXANDRA to the high rank it now holds in GREAT BRITAIN and IRELAND.

The Machine can be seen in operation at the Show Room of the

# COFFEE ROASTING, SUGAR POUNDING, AND GENERAL GRINDING WORKS, MACPHERSON STREET, GLASGOW.

*The only Steam-power Roasting Establishment connected with the Trade in the City.*

**D.** MINTO begs leave to return thanks to the Grocers and Druggists of this town and vicinity for past favours.

He also begs to intimate, that in connection with his Coffee-Roasting, and Coffee and Spice-Grinding Works, he has fitted up an extensive Sugar-Pounding Machine, offering to the Confectioners and Trade in general an advantageous opportunity of having their Sugar Pounded by Steam-power, far surpassing anything ever yet offered to the Trade.

P.S.—All Orders punctually attended to, and delivered by his Vans at the proper time.

Macpherson Street,  
GLASGOW, May, 1866.

THE COFFEE PLANT, "*Coffea Arabica*" of Linnæus, is an evergreen, and, as may be inferred from its scientific name, is a native of Arabia. It produces a pulpy berry about the size of a small cherry, inclosing two seeds, which, separated from their pulpy envelope, form the well known Coffee Beans of Commerce. It may be remarked, as a singular fact in reference to Coffee, that while all of the vegetable kingdom that have been taken under the care of man have been improved, it alone asserts its independence; for, although cultivation may greatly enlarge the crop, it as certainly, at the same time, deteriorates the flavour, and the produce of the wild plant still maintains the highest figure in the market. It is well known that Coffee would be of no real value were it not properly roasted—a process which, as it requires much skill, is only to be acquired by experience. How man became acquainted with the fact, that the tasteless seeds of a berry, when roasted, ground, and infused, would form a grateful beverage, will most probably remain a secret to the end of time. That the development of its useful properties depends wholly upon the roasting, is evident. About two hundred years ago Coffee was first introduced into England, since which its consumption has steadily increased, and deservedly so, when its medical properties are considered, it having been found useful in headaches arising from a particular state of the stomach, and much benefit having been derived from its exhibition in cases of asthma.

A French scientific gentleman, who has directed his attention to this subject says:—I have found that Coffee is better roasted, and more of the aroma retained, when a double cylinder is used—the air between the interior and exterior cylinders acting as a non-conductor of heat. It is done more uniformly, while the essential oil on which the aroma depends is less liable to be dispersed, than when exposed to the fierce heat of a fire in a single cylinder."

In the double rotatory globular method of roasting as practised at Mr. MINTO's Works, Macpherson Street, Glasgow, the above principle is acted upon, inasmuch as the globe (which has superseded the cylinder since the application of steam-power to this branch) revolves in a medium of heated air, which, experience has shown, best prevents the dispersion of the essential oil, or aroma.

# OLD REMINISCENCES OF GLASGOW

AND THE

## WEST OF SCOTLAND.

BY PETER MACKENZIE.

MR. MACKENZIE, who was for many years Editor and Proprietor of the *Glasgow Old Loyal Reformers' Gazette*, has been earnestly requested by numerous friends to bring out a volume or two of his REMINISCENCES, from facts placed within his own knowledge, and never before published in any concise or authentic shape. He therefore intends to begin with the extraordinary History of the Spy system pursued in Glasgow in the days of Lords SIDMOUTH and CASTLEREAGH, which he originally detected and brought to light many years ago, leading to the remarkable State Trials of 1819-20—to the dread Executions which then took place—to the *Expose* of RICHMOND, the Villain Spy—and to many other thrilling events; including some remarkable Trials in which Francis Jeffrey, James Moncrieff, and Henry Cockburn took part, with the present Lord President, &c.

From the Epitome of the Spy system he will go on to handle other topics—the materials and evidence concerning which are exclusively in his own possession; and being the oldest Newspaper Editor now alive in Glasgow, or in Scotland, he ventures somewhat hopefully to think that he will be able to make the work on which he has now entered peculiarly interesting to the present age.

# DEAFNESS.

## ANNUAL REPORT

BY

S. E. SMITH, Esq., M.R.C.S.E.,

94 WEST REGENT STREET, GLASGOW,

Of Cases of Deafness, Diseases of the Ear, Throat and Nose, Treated by him during his First Twelvemonth's Residence in Scotland.

Patients from		Cures.	Under Treatment.
2 to 21 years of age,	.....	178	139
" 21 to 40	" .....	321	277
" 40 to 60	" .....	146	97
" 60 to 90	" .....	33	51

IN the above Table the majority of the Cases proceeded from different causes, and required totally different treatment; and it will be observed that the ages vary from childhood to an advanced period of life—namely, many from 60 to 90 years of age, who had suffered from Deafness for 20 or 30 years. In several of the young cases the speech and hearing were both defective. Many interesting Cures of this nature are included in the Table.

Deafness prevails to a greater extent in Glasgow and the neighbourhood than in any other town in the United Kingdom in proportion to size. This may be accounted for by the trades of the district, the habits of the population, and atmospheric changes. Amongst the occupations producing a direct influence upon the Membrana Tympani and Tympanum, may be enumerated boiler making, riveting, the noise from machinery, in fact, all situations in which the vibrations are rapid and excessive. The effect is much greater upon men who enter upon such employment late in life than on those who follow them from youth. In all cases the mischief might be prevented to a great extent by perfect cleanliness of the ears, and wearing in them while at work a good non-conductor (plugs of cotton-wool, for instance). Next may be enumerated trades having an influence over the Ceruminous Glands, including all those in which the work-people are obliged to labour in excessive heat—namely, glass and bakehouses, furnaces, &c., &c. Many of the ill effects of labouring in such an atmosphere are due to the indiscretion of the work-people suddenly exposing themselves to currents of cold air, producing thereby rapid action of the glands, or an abundance of the secretion commonly called wax of the ear, in many instances completely closing the passage of the ear in a few hours. In some constitutions the effect is, however, totally opposite; the secretory power of the glands is checked, the ear becomes perfectly dry, and the hearing more or less dull, a certain portion of wax in the passage being a necessity for a healthy state of hearing. Next may be considered trades having an influence over the throat and respiratory organs; those occupations in which the workers inhale a certain amount of dust and the products of their trade—for instance, bakers, stone masons, grinders, moulders, &c.—the Throat, Air Passages, and Tympanum frequently becoming complicated; atmospheric changes also operate very powerfully upon this class of diseases. These few remarks refer to the minor causes of Deafness produced by trade influences, without reference to the numerous diseases to which the organ of hearing is liable from more complicated affections. Deafness, indeed, arises from more than 300 different causes, each requiring its own peculiar mode of treatment. It will, therefore, occur to the reader the impossibility of giving a correct opinion without a personal examination of the patient, such being required to enable a proper diagnosis to be made, after which, except where special operations are required, the case may be treated at a distance.

In answer to numerous letters received by Mr. SMITH requesting his advice, he begs to state that he will not undertake any case without one personal consultation.

N.B.—Hours of Attendance at 94 West Regent Street, Glasgow, during the Summer Months, commencing from the present time, will be from Eleven till Three o'clock daily (*Saturdays and Sundays excepted*).

**CAUTION**—Exhibition fireworks being a different class of Goods to Shop work, the following Caution is requisite. There are *Toy dealers*, and a *Party* in Glasgow and Edinburgh, who merely deal in Fancy Toy Fireworks, who have the *presumption* to solicit orders for Displays and even term themselves *Artisettes*, who have really no practical knowledge of the art, or even the slightest particle of Machinery or Apparatus for the same. Therefore, T. C. BARLOW would advise those gentlemen who contemplate getting up an Exhibition to commemorate any event, to demand *Designs* of the set Devices, the size of each, and specification of the *Art* part of the Display, or they will merely get a quantity of small Rockets, Squibs, Jack-in-Boxes, Roman Candles, &c., and such small work, which are only fit for the amusement of juveniles.

\* See continuation of Advertisement on eighth other pages of this Publication.

T. C. BARLOW particularly requests it to be observed the above List of Prices is for the Best Ordinary Fireworks, but should the Pieces be enlarged or beautified to any considerable extent, an additional charge will be made, proportioned to the increase of labour and material.

"With reference to the Meriton Patent Marine Governor you fitted in the S.S. *Stettin*, I may state that I had opportunity of trying it thoroughly for some time now, and in particular, during two days of continuous heavy weather. I have no hesitation in saying that it is equal (to say the least) to any that I have worked, and I learn that it works equally well in the other vessels you fitted running from this port.

**D. CUNNINGHAME,**

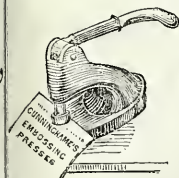

APPOINTED SOLE AGENT IN SCOTLAND BY THE PATENTEE,

**A** GAIN solicits attention to these really useful and efficient Hand Printing Machines, which may be seen in operation in the different Banks, Railway and other Public Offices, &c., where they have superseded all other kinds of printing by hand. Their utility is most valued where they have been longest in use.

They are suited to print Names, Dates, &c., on *all kinds* of Documents, Tickets, &c., where there is repetition. Where they have been introduced many uses for them have been found, though not previously thought of.

Any number of Stamps, different styles and sizes, and various colours of Ink can be used in one Machine.

D. C. reminds his friends that he continues to supply all the different kinds of Printing Machines, so that customers may have a variety for selection. From his arrangements he adds to his Stock everything new as introduced, although in this matter he has followed his usual practice of *giving prominence only* to such articles as are sure to give permanent satisfaction. He has been much gratified at the wide and extensive demand these Machines have made for themselves; they are now as favourably known as his Embossing Presses.

## *Scottish Widows' Fund*

THE LARGEST MUTUAL LIFE OFFICE  
IN THE WORLD

**The Whole Profits are divided  
among the Members.**

The Extent and Profitable Result of the Society's Business, and the prospects of its Policyholders, are sufficiently indicated by the following facts:

### *Magnitude and Wealth.*

Existing Assurances, including Bonus additions	£13,700,000
Invested Funds	4,230,000
Annual Revenue	537,000

### *Profit Realised.*

Profit from 1815 to 1845, 31 years	£708,968
Profit from 1846 to 1852, 7 years	*591,158
Profit from 1853 to 1859, 7 years	*724,117
<b>Total Profit to 1859</b>	<b>£2,024,243</b>

**Bonus of £2:5s. per cent per annum,**

Believed to be the **LARGEST BONUS** declared by any Life Assurance Institution since the Society was founded in 1815.

### *By Division among the Policyholders*

*of the whole of the above*

*Enormous Surplus, exceeding Two Millions Sterling,*  
their Policies amounted in 1865 to the Sums in the following Table—

Policy Issued.	Amount of £1000 Policy.	Amount of £2000 Policy.	Amount of £3000 Policy.	Amount of £5000 Policy.
1815	£2583 5 3	£5166 10 6	£7749 15 9	£12,916 6 3

This Company transacts all kinds of Home and Foreign Fire and Life Insurance Business, Annuities, Endowments, Reversions, &c., at moderate rates, and on terms as liberal as those of other first-class Offices.

**Equitable Conditions of Policies.**—Moderate Premiums (with the option of paying them according to a variety of convenient methods).—Liberal provision for the non-forfeiture or surrender of Policies,—and certain specially beneficial arrangements as to the reception of the Bonuses,—are some of the many advantages of the Life scheme of this Company.

**The Life Bonus** averages 46 per cent. of the Premiums paid, in some cases rising to 65, 70, and even 75 per cent. Substantial benefits have therefore been conferred on its Assurers; and as the Life Liabilities are valued on the principle of net premiums, assuming only 3 per cent. interest,—(the outside expenses chargeable to the Life Department for the General Management of the Company being specially limited by the Deed of Settlement to 10 per cent. of the net Life income)—there is every reason to expect equally good Bonuses in the future.

All Losses settled with promptitude and liberality.
